

You can register in OKAN:

if you are at least 12 and not yet 18, if you have not lived in Belgium for more than one year, if Dutch is not your native language and if you do not know enough Dutch to follow the lessons in mainstream education. You may also have taken a maximum of 9 months of lessons in a Dutch-language school.

In the OKAN class you learn Dutch (25 hours). You also get 2 hours of sport and 2 hours of religion. There is no class on Wednesday and Friday afternoons.

Later in the school year you also get the chance to get to know a regular class for a few hours. This way you can already get to know life and learn in our school.

If you want to come to our OKAN class, it is best to contact the OKAN coordinator: jeffrey.dael@mmikortemark.be. You can also make an appointment to see the school.
