

## OKAN | Onthaalklas voor anderstalige nieuwkomers

You can enrol at OKAN if you are at least 12 but not yet 18, if you have not yet lived in Belgium for more than a year, if Dutch is not your mother language and if you are not able to follow the lessons in the Dutch language in a regular school.

You may also have attended a Dutch school for a maximum of nine months.

During the OKAN classes, you will learn Dutch (25 hours). You also get 2 hours of sports and 2 hours of religion. On Mondays, Tuesdays and Thursdays, students can study and do their homework in the last hour of the day.

There are no classes on Wednesday afternoons.

If you already know Dutch, you can take a few lessons in a regular class. This way you can get acquainted with life and learning at our school.

If you would like to come to our OKAN class, please contact the OKAN coordinator:

[jeffrey.dael@mmikortemark.be](mailto:jeffrey.dael@mmikortemark.be).

You can also request a visit to the school.
